**Monday Morning, Oct. 2nd, at 9 O'clock**  
Our Doors Will Open to the Tonopah Public

**SOUVENIRS FOR ALL---COME**

**Hunts Supremacy In Goldfield Dates Back Four Years**

I expect to make the Tonopah store my main store and the Goldfield store the branch before many months, for I have implicit confidence in the Tonopah people and I know they will appreciate our merchandise, our prices, and our way of doing things.

**REMEMBER THE PLACE**

**Hunt's, In the Elks' Building, 141 Main Street, Tonopah, Nev.**

THE LARGE QUANTITIES OF MERCHANDISE I sell, and the cheap rent I have, and twenty years experience I have had as buyer for the largest department stores in America, will enable me to compete with mail order houses and big stores on the Pacific Coast.

WE WILL CARRY a complete stock of Standard Lines of Dry Goods and Notions, Women's Coats, Suits and Millinery. Men's Furnishings. Also Children's Wear.

If you ask for something we haven't the first few days we are open, don't be disappointed, for over one-third of our goods will not get in for the opening, but will be daily arriving from the Eastern manufacturers.

We handle in Goldfield the Ladies' Home Journal Patterns and can get them for you in one day, until our patterns for Tonopah arrive, about October 15th

**SOME OF THE ATTRACTIVE LINES WE CARRY**

Kayser Silk Hose, Underwear and Gloves, Onyx Hosiery and Springfield Underwear, Phipps and Fisk Hats. Manhattan Shirts, Keiser Neckwear, Guyot Suspenders, and Holeproof Hose for men.
